

LOCAL TRAFFIC UPDATE

Origin will start laying new gas pipelines in the area from February this year, so you may notice an increase in the number of trucks travelling from Callide to Miles along the Leichhardt Highway. These increased traffic movements will only be for a few months, so please take extra care to make sure you get where you're going safely.

We'll be doing our best to minimise any inconvenience to motorists, and we expect the extra activity to end by April. So please drive carefully during this time. If you would like any further information, please call us on 1800 526 369 or email us at contact@aplng.com.au.
